

GREEN MENTOR: SECOND MEETING AND STATE OF THE ART PRESENTATION

Fostering green entrepreneurship through an innovative ECVEET curriculum for the new professional profile of Mentor for Green Entrepreneurs

Green Mentor project is progressing. We are working in the development of the materials. We are looking for experts to improve the contents and methodologies. Are you one of them? Would you like to join our project and become part of the future? [Email us!](#)

OBJECTIVES

In the GREEN MENTOR project we have the following objectives:

- Contributing to the development of a European Area of Skills and Qualifications
- Professional development of VET teachers and trainers
- Promoting entrepreneurship education and social entrepreneurship among young people.
- Promoting entrepreneurship education and social entrepreneurship among young people.

Don't miss our updates and check in our social networks!

LATEST NEWS!

SECOND meeting in Cork (April 28th and 29th)! We met again with the international partners, this time in Ireland. In this second transnational meeting we discussed about the current state of the project and the partnership, and most of all, share the State of the Art results.

Hosted by CIT, we spend two days working side by side to keep progressing!

Aims of the event: Presentation of final version of O.1, and launch of O.5. Preparation for the development of other intellectual outputs: Curriculum (O.2), Handbook (O.3) and Toolkit (O.4); including Work and Communication plans and methodologies, and definition of the quality assessment criteria.

Further information about the project are available in the Green Mentor webpage. Check it out! <http://greenmentor-project.eu/>
